

Hillside Animal Hospital's 11th Annual Pet Food Drive For WAFER

November 1st through December 22th

Directly benefiting pets and their families in our community

Hillside Animal Hospital is once again teaming up with WAFER to host a pet food drive!

Here's how you can help:

Bring any size dog or cat food to Hillside Animal Hospital
and place it on our WAFER table

You can also purchase our specially discounted Hills pet foods and treats during your next visit to the clinic

Save a trip by simply calling Hillside Animal Hospital at 608-788-3425 to purchase the same discounted food items with a credit or debit card

Donate, Donate, Donate! For every pound over 1,000 pounds that we receive, **Dr. Spencer and Dr. Konrad** will each donate \$1 to purchase additional pet food for WAFER (up to \$1,000 each)
